

## Customised Jungle Adventures

After a recent upgrade to our facility we are now ready to offer you your very own personalised jungle experience. Our accommodation can comfortably cater for up to 6 guests and the Aquarium is fully equipped to house the fish you collect. We are situated just a few minutes from the airport or a ten minute taxi ride from the center of Puerto Maldonado, which is a very colorful and vibrant city in the heart of the Madre de Dios state in south eastern Peru.

The area is one of the most bio diverse wild life regions in Peru and has something for everyone, Birds, Butterflies, Insects, Fishes, Flora and Fauna, not to mention the fantastic scenery of the Andean foothills just a couple of hours drive away and where you also will find many varieties of wild Orchid.

We have expert guides who will tailor your stay to suit your primary interests, be it Catfish, Killifish, Cichlids, Characins or the more unusual such as Knife fish. There are fishes to suit most interests.

We have standard 10 and 14-day fish collecting & eco trips, these are flexible and can be tailored to suit clients or group preferences

Your stay will include the services of a housekeeper who will make sure your stay is a comfortable one and will ensure that supplies are maintained, beds are made, and a meal ready on your return after a hard days activities. Because you will be rising early on most days the housekeeper will ensure that there is adequate food items for self-catering breakfasts.

On the occasions when you will be on overnight trips, accommodation will be at local hotels, these are usually bed only establishments so our guides will ensure food and water will be available for snacks and lunches. On overnight trips evening meals will also be provided.

We have a limited number of hand nets available and client's are advised if possible to bring their own, or if requested well in advance we can purchase a top quality net on their behalf a cost.
